Walking from Jarrahdale through the virgin forest on Stacey's Track, down the Goora-long to where the creek meets the Serpentine and down to the Falls. A challenging walk at any time of the year but particularly so after winter rains which makes it a very special experience.

Be prepared for slippery rocks and challenging climbs. Take a break at the falls before returning up the steep scarp.

Transport for return has been arranged if required (\$5/person).

Allow 5 hours to complete the walk.
